#### **5. Chair's report Oral**

Jean Bessey has advised her resignation from the committee, however she is happy to assist with specific jobs.

JK attended the half yearly LCC NDP Networking meeting. Colin Wilkinson presented a case study on Asfordby NDP at the meeting, for which he was the consultant. It has taken 5 years to get their plan through the process, although they were at the cutting edge of the process as an early adopter and although now through the referendum process it has been legally challenged by a developer who was not favoured in the overall development plan.

Locality sent a representative to talk about the grant process. He answered a question from JK regarding their view on traffic surveys, confirming that traffic is not something they consider to be part of the NDP process and therefore not eligible for funding.

The Ullesthorpe Rd planning application is now pencilled in to be heard at the January meeting.

A new planning application regarding Old Farm has been received by the PC.

### **M17/114**

#### **6. Draft plan**

A revised version of the plan, V9, has been provided by Colin. This needs to be proof read and comments fed back to Colin.

Work continues on finalising the document with Green Space details being the key issue.

Given the proximity of the HDC that will consider the Ullesthorpe Rd application we will hold any amends awaiting the outcome.
