Matters reported

Public Rights

The Authority must provide for the exercise of public rights as set out in Sections 26 and 27 of the Local Audit and Accountability Act 2014 and the Accounts and Audit Regulations 2015. The Regulations require the Authority to approve and publish the Annual Governance Statement and the Accounting Statement alongside a Notice of commencement and a Declaration of status of accounts to allow it to commence the period for the exercise of public rights so that it includes the first ten working days of July.

In the financial year 2015/2016 the Authority failed to act in accordance with legislation and has repeated this for 2016/17.

The Authority stated that the last day for the exercise of public rights was 07 August 2017, however this more than a 30 day period. The Authority is therefore unable to demonstrate that it made proper provision for the exercise of public rights in 2016/2017. This represents a significant governance weakness.

In future, the Authority must ensure that the Annual Return is approved and published to allow for the proper provision for the exercise of public rights in accordance with the Regulations and proper practices.
